

PEACE HOUSE PRESS

Peace house Press is one of the subsidiaries of Peace House Publishing Group, as well as the official printing organ for the Peace House Labour. The Publishing Group is an umbrella body that co-ordinates the activities of its subsidiaries comprising: Peace House Publications, Peace House Press, Peace House Electronic Media and the Peace House Bookshop. The Press also extends her services to the body of Christ (and to the General Public as its schedule permits).

VISION.

Put the "Word" in Prints and package it for easy access and convenience for all to read. Fulfill this vision at minimum cost while keeping the quality of the Print and Materials among the best.

MISSION.

To make the word of God that come down regularly as "Rhema" available as "Logos," and as much as possible "free." Also establish and grow a discipleship relationship among the Professionals, Ancillary Workers and Trainees in the Printing Profession.

OUTREACH.

The Press is also an outreach ministry to any child of God - young or old - who would want to/or have taken his career in the Printing Profession. There is an apprenticeship training scheme for THREE years {full time}, FIVE years (part time) for Disciples who would be arrows in the hands of the Lord to be "shot out" to make the difference in the Printing Industry both in life and character and in technical and managerial skills.

Special Candidate:

An HND or degree holder in relative discipline who desire to take printing as a carrier in either Technical or Management position will spend Eighteen months or Two years in training. All the standard terms, the rules and regulations, for trainees are applicable. *Successful Trainees may be linked, on merit, with National or International Professional Printing Institute for integration.*

MANPOWER

Presently, the Lord is using His Vessels He had gathered together from various fields to labour on the materials. The Peace House Press also has Professionals and Ministers of the gospel who have caught the Vision and are fulfilling their ministerial call. Some of them have taken the challenge of on-the-job training in the Technical, Secretarial and Managerial aspect of the Work.
