

Peace House Institute of Printing Technology (PHIPTech)
Admission into the Professional Diploma and Advance Diploma in Print
Management Programmes

Peace House Institute of Printing Technology (PHIPTech) is an incorporated training arm and a member of the Living Seed Team (Peace House) Inc., Gboko Benue State, Nigeria.

After many years of ministering, a growing necessity to provide different levels of training to further the preaching of Christ's Gospel became a task waiting for an urgent attention. Upon this, Peace House under the leadership of Brother Gbile Akanni and through prayers commenced specialized trainings in various aspects of ministry endeavors. Among these training programmes are:

- Ministers' Leadership Refresher Training (MILERT)
- Calvary Arrows College (CAC)
- Peculiar Treasure (Nursery & Primary School)
- Periodic Refresher Training for Teachers (PERTS)
- Leadership Development for the Young (LEDEYO)
- Peace House Agricultural Training Institute (PHATI)
- Peace House Institute of Printing Technology (PHIPTech)
- Peace House Research, Innovation and Centre of Excellence (PRICE)
- Peace House Institute of Vocational Training (PIVoT)

God has commanded us to stop weeping over the decay in our society and raise replacement sons and daughters with the new species of life that He will use to heal our society. It is in response to this that we are offering training programmes for various segments of our society.

The focus of PHIPTech will ***therefore be in two broad directions. Within a specified period of time, students will receive deliberate training targeted at...***

- ✓ Christ life and character development.
- ✓ Mastery of different aspects of Printing.
